

REMARKS**Rejections of claims 1-15 under 35 USC § 112, first paragraph**

As required by the Examiner in Section 1 of Paper 23 (the Office Action of March 11, 2003), applicants have canceled the added new matter and deleted possible non-enabling language pointed out by the Examiner in previous office actions from the specification at page 10, lines 3-6. The remaining language is identical to that found in the as-filed application. Applicants kindly request that this amendment be entered as it places the application in better form for consideration on appeal, introduces no new matter, and merely satisfies requirements and concerns set forth previously by the Examiner.

If any questions should arise with respect to the above Remarks, or if the Examiner has any comments or suggestions to place the claims in better condition for allowance, it is requested that the Examiner contact applicants' agent at the number listed below.

Applicant authorizes any fees required pertaining to this response be charged to Deposit Account No. 50-0568.

Respectfully submitted,
OWENS-CORNING
